Fire Chiefs Report:

We are at 182 responses, which is even with last year's numbers at this time.

P&L: This P&L does not reflect the updated property tax revenue. Our workers' comp is at 104% but that should not increase that much more for the rest of the year. We budgeted \$115,000, which was based on the projections they provided us with, but we had a 25% increase on our liability insurance. Overall, we are pretty much on target with our expenses. We have no capital changes for this month.

Wildland: Rees and David have started, and the rest of the crew will start at the end of this month.

Fleet Maintenance: Troy's last day was March 6th. We interviewed two candidates for that position last week.

The meeting was adjourned at 6:55
